1. What do you say when you close your eyes in prayer?  
2. What do you say when God knows just who you are?  
3. What do you say when God knows the words you'll use?  
4. What do you say when your thoughts dis - tract your prayers?

What do you tell God when you call up - on His name?  
What do you tell Him when He sees in - side your heart?  
What do you tell Him? He al - read - y knows your needs?  
What do you tell Him when the words re - fuse to come?

Do you say, "I love you, Lord, for be - ing who you are"?  
Do you say, "I've done wrong, Lord, and I want to do right"?  
Do you say, "I thank you, Lord, for all you do for me"?  
Do you cry, "I need help, Lord; I can't live on my own"?

What do you say when you close your eyes in prayer?  
What do you say when God knows just who you are?  
What do you say when God knows the words you'll use?  
What do you say when your thoughts dis - tract your prayers?
